Basic differences

Many people are not rejecting the Gospel.
They have simply never had access to it.

Not all unreached peoples are frontier peoples.
Frontier groups are the hardest and least reached of all.

Who are the frontier people groups?

A Frontier People Group is:

- Unreached by the Gospel
- Less than 0.1% Christian
- No self-sustaining church movement
- Requires pioneer missionary work

No missionary team
No churches
No Bible translation
No Christian media
Severe persecution
Spiritual isolation
